

# CELEBRATE THE GREAT SALT LAKE

**MONDAY, APRIL 1<sup>ST</sup>**

**6:30PM** doors open • **7:00PM** movie

**CONGREGATION KOL AMI**

2425 E Heritage Way, Salt Lake City

Sponsored by Congregation Kol Ami and the Great Salt Lake Interfaith Action Coalition ([gslinterfaith.org](http://gslinterfaith.org)), join us for a viewing of the documentary film, *Whales of the High Desert*, from The Good Line Production House. After the 21-minute film, there will be a Q&A with the filmmakers, followed by a celebration to honor Great Salt Lake champions who worked so hard during this legislative session.

From 8:00pm to 8:30pm, continue the celebration and enjoy light refreshments and an opportunity to learn about local environmental organizations that work to protect our health and the vital ecosystem that is the Great Salt Lake.

*Whales of the High Desert* explores the story of James Wickham, an Englishman who was reported to have brought whales to Great Salt Lake in the 1870s. Though his story was reported as 'true' in newspaper articles in 1888, the truth of this local Utah legend no longer matters as the debate around its veracity has uncovered a greater truth—the Great Salt Lake is dying.
